3. How to register new standard on NLGSS (1/12)

Go to system map/ Search/ NLGSS/ Next LG Standards System / search as below:

Choose 1 in 4 tab below

The screenshot shows the NLGSS web application interface. The browser address bar displays `nlgss.lge.com/xmms/webroot/main.do`. The application has a top navigation bar with tabs: **Organization**, **Business Area**, **Product**, **Contents**, and **Horizontal Spread**. The **Organization** tab is selected and highlighted with a red box. On the left, a sidebar lists the organizational structure under "Org.(Applied Area)", including "Company-Wide(10)" and various regional folders like "HQ(11)", "H&A(59)", "HE(52)", "BS(51)", "VS(46)", "MC(45)", "LG Magna(99)", "Korea Site(97)", "Asia(ASA)", "Europe(EU)", "Middle East & Africa(ME)", "North America(NA)", and "Central & South America".

The main content area features a search bar labeled "Standard Name" with a placeholder "Enter a search term of at least 2 characters." and a magnifying glass icon. Below the search bar are filters for "Search Requirement" (with checkboxes for "Include Lower Range", "Search Within Results", and "Abolition Stds") and "Document Type" (with checkboxes for "All", "Management Manuals", "Business Standards", "Working Standards", and "Specification"). A "Save EXCEL" button is visible next to the search results count, which currently shows "Total 0 cases".

At the bottom right, a dropdown menu is open, showing "Standard Write" as the selected option, which is highlighted with a red box and a blue circle labeled "2". The table below the search area has columns: Document Type, Applicable Scope, Business Area, Product Group, Standard Name, Standard No., Enact Date, Revision Date, and Version. The table currently displays "No results were found for your search."
